**BOROUGH OF WATCHUNG
RESOLUTION: R1**

WHEREAS, the Borough of Watchung ("Watchung" or "Borough") has determined, after consultation with the Chief of Police, that there is a need to hire additional patrol officers for the Borough's Police Department ("PD"); and

WHEREAS, the Borough has conducted interviews and reviews of interested applicants for the position of Patrol Officer; and

WHEREAS, as authorized by Borough Code, Section 3-2.5, the Police Committee Chair has submitted to the Mayor, his recommendation for the appointment of **Timothy Searfoss** to the position of Patrol Officer for the Police Department; and

NOW, THEREFORE, BE IT RESOLVED by the Mayor and Council of the Borough of Watchung, County of Somerset, State of New Jersey that:

1. The Mayor and Council hereby authorize a conditional offer of employment to **Timothy Searfoss** as a Patrol Officer with the Borough Police Department effective February 1, 2024.
2. The appointment to a full-time patrol officer is contingent and conditioned upon the successful completion and approval of a background check, successful completion of the Police Academy, along with physical and psychological evaluations.
3. Timothy Searfoss shall be compensated in accordance with the terms and conditions set forth in the Collective Bargaining Agreement between the Borough and PBA Local 193.

**AGREEMENT BETWEEN SOMERSET COUNTY
AND ITS MUNICIPALITIES FOR RECYCLING**

THIS AGREEMENT by and between the Somerset County Board of Commissioners in the State of New Jersey, a body politic having its offices located at P.O. Box 3000, Somerville, New Jersey, 08876 (hereinafter "County") and BOROUGH OF WATCHUNG, a municipal body politic having its offices at 15 Mountain Boulevard, Watchung, New Jersey, 07060, (hereinafter "Municipality"), is dated this _____ day of _____, 2024.

WHEREAS, Municipality, by ordinance, has duly enacted a recycling plan for all recyclable materials as designated by the Somerset County Solid Waste Management Plan and amendments thereto and:

WHEREAS, Municipality is desirous of retaining the services of the County for said recycling program; and

WHEREAS, the award of this contract to the County pursuant the N.J.S.A. Section 13:1E-99.14 is an exception to the bidding requirements as set forth in the Local Public Contracts Law pursuant to N.J.S.A. Section 40A:11-5(2), and the Board of Public Utilities Somerset Waste Franchise for Somerset County.

NOW, THEREFORE, in consideration of the terms, conditions, mutual benefits and covenants hereinafter set forth, the Municipality and the County make this agreement.

1. The Borough shall retain the services of the County for the residential curbside pick-up of Recyclable Materials as hereinafter defined on a biweekly basis.

2. County shall conduct residential curbside pick-up services for all Recyclable Materials, as are designated by the County's Solid Waste Management Plan, including but not limited to, glass containers, plastic bottles, newsprint, aluminum cans, steel cans and corrugated paper and such other Recyclable Materials as the County may designate from time to time, within the Municipality (hereinafter "Recyclable Materials").

3. Upon execution of this Agreement, County shall be obligated to provide services for the collection of Recyclable Materials set forth in Paragraph 1 above providing that the Recyclable Materials are set out in the manner as designated below by 6:00 am on the collection day:

- (a) All newsprint is securely tied in bundles of no more than twelve inches in height not to exceed thirty pounds each; and
- (b) All glass bottles and jars will be placed in a recycling bucket. All glass containers will be rinsed with lids removed; and
- (c) Aluminum cans may be placed in the same recycling bucket as the glass and steel cans; and
- (d) All plastic bottles marked #1 - #7; water, soda, milk, juice, soap detergent, bleach, shampoo and cleaning agents. Also included are containers: peanut butter, yogurt, baby wipe containers, margarine tubs and clear plastic clam shell containers from salad bars may be placed in the same recycling bucket as the glass, steel and aluminum. All plastics shall be rinsed with lids removed; and
- (e) All chipboard (cereal, cake, cookie pasta cracker, detergent, gift, shoe, shirt or any retail boxes poster board & backing on writing pads.), corrugated paper boxes and other corrugated paper products will be securely tied in

bundles of no larger than twenty-four inches square; and

- (f) All tin-plated steel and bimetal food and beverage cans will be placed in the same recycling bucket. All steel cans will be rinsed; and
- (g) Junk mail, catalogs, magazines, and school papers will be placed in a brown paper bag; and
- (h) In the alternative the County may provide two (2) recycling totes to the residents of the municipality which are required to be used for all Recyclable Materials

4. The County reserves the right to reject and not pick up Recyclable Materials that are not packaged in conformance with the provisions of Paragraph 3 (a)(b)(c)(d)(e)(f).

5. The County reserves the right to reasonably amend the collection specifications enumerated in Paragraph 3 above by giving thirty- (30) day written notification to the Municipality of any changes thereto.

6. For the period commencing **January 1, 2024 through and including December 31, 2024**, the County shall be responsible for residential curbside pick-up services for all Recyclable Materials from each residential household within the Municipality. The number of households in the Municipality shall be calculated by the Somerset County Planning Board by the end of April 2024 and shall be based on figures obtained from the respective Municipalities and updated with listings of Certificates of Occupancy. Municipality is responsible for providing on a quarterly basis, any updates in the listings of Certificates of Occupancy. If the Municipality disputes this number, the County will continue to bill at the rate as determined by the Somerset County Planning Board until the Municipality provides written documentation of the correct number of households to said office.

7. The County and Municipality shall agree, upon the execution of this agreement, that pick-up dates for residential households with the Municipality shall be every other week in accordance with the recycling calendar attached hereto as a schedule.

The County reserves the right to change the collection schedule at any time during the term of the contract and shall give a minimum of ninety (90) days written notification of same to the Municipality and its residents of any changes thereto.

8. Notwithstanding anything contained within Paragraph 6 above, the County shall not be obligated to perform residential curbside pick-up services on the following 2024 holidays:

New Year's Day	Memorial Day
Independence Day	Labor Day
Thanksgiving Day	Christmas Day

In the event the Municipality's collection schedule falls on any of the aforementioned holidays, the Municipality shall be scheduled for pick-up of recyclables the weekday after such holiday, unless noted on the official collection schedule prepared by the County.

The County reserves the right to alter the holiday schedule and shall give a minimum ninety (90) days written notification to the Municipality of any changes thereto.

9. In the event of inclement weather necessitating the cancellation of residential curbside pick-up, the County shall notify the Municipality and the following radio stations of said event. The radio stations to be notified will be: WCTC 1450 AM, WHWH 1350, WMGQ 98.3 FM, WPST 97.5 FM and NJ 101.5 FM. In the event pick-up is cancelled due to inclement weather, pick-up will be scheduled for the appropriate locations on the next regularly scheduled pick-up day.

10. The County will supply all necessary motor vehicles for residential curbside

pick-up.

11. Said vehicles shall be maintained in good mechanical condition and shall be well painted and be kept in a condition of cleanliness. The County shall be responsible for the cost of all equipment, maintenance, gasoline, oil, parts and service of the vehicles.

12. Any motor vehicle accidents occurring within the Municipality shall be reported to the Municipal Police.

13. The County shall provide all labor for residential curbside pick up.

14. All County personnel engaged in the collection of Recyclable Materials shall maintain a courteous and respectful attitude toward the public at all times. At no time shall there be any soliciting or requesting gratuities of any kind.

15. The County shall have personnel available from 7:00 AM to 3:30 PM on collection days to receive telephone inquiries relative to collection operations. All complaints shall be handled in a responsible manner with attention given to the resolution of the matter. The Municipality shall, however, encourage others that all complaints are to be first submitted to the Municipal Recycling Coordinator.

16. The County shall maintain a bulk drop-off receiving station as identified by the Somerset County Division of Solid Waste Management for Municipal vehicles to deposit Recyclable Materials. Bulk drop-off shall be arranged by specific appointment only through the County Recycling Center.

17. Pursuant to Paragraph 17 herein, the following conditions shall apply to the bulk drop-off receiving station for Municipal vehicles:

(a) The Municipality shall deliver the material to the drop-off center

in accordance with the following:

(i) Glass bottles and jars shall be delivered in

- market ready condition, with lids removed;
- (ii) Newspaper shall be delivered in market ready condition;
 - (iii) Plastic bottles shall be delivered in market-ready condition with lids removed;
 - (iv) Office paper shall be delivered dry and color segregated (i.e. high-grade white paper separated from lower grade paper);
 - (v) Aluminum cans shall be delivered in market-ready condition;
 - (vi) Corrugated cardboard and chipboard shall be delivered dry, segregated, flattened, and no longer than 24 inches square;
 - (vii) Tin-plated steel and bimetal food and beverage cans shall be delivered in market-ready condition, with labels removed;
- (b) County shall set the standards for market ready conditions and provide same in writing to municipality; and
 - (c) All deliveries of Recyclable Materials are subject to inspection and acceptance of such materials by the County before the Recyclable Materials may be off-loaded.

18. The Municipality shall enforce anti-scavenging and anti-dumping ordinances, and mandatory source separation as outlined in the Somerset County Solid Waste Management Plan Amendment and Municipal Ordinances related to recycling. Copies of

these Municipal Ordinances shall be supplied to the Somerset County Recycling Division by January 15, 2024.

19. The Municipality shall advise the Somerset County Recycling Division, on an annual basis, of any new residential households within the Municipality when the Municipal Certificate of Occupancy for the residential unit is issued.

20. The Municipality shall supply the County Recycling Center with periodic updated road information and maps (including private roads that may require residential curbside recycling pick-up), on a quarterly basis, at a minimum.

21. The Municipality shall provide the Somerset County Board of Commissioners and the County Recycling Coordinator with any changes in the Municipal recycling coordinator's position.

22. The Municipality shall pay the County a fee for the County's service to the Municipality. The County will send quarterly invoices to the Municipality indicating the gross cost to the Municipality for the preceding quarter. The Municipality will pay all invoices within thirty (30) days. The County fee shall be based upon the number of households within the Municipality as determined by the County Planning Board at the rate of **\$27.00** per household per year. The number of households will be adjusted on a quarterly basis, when and if appropriate.

23. All Recyclable Materials picked up curbside by the County or delivered to the County by the Municipality will become the sole property of the County.

24. The County, during the term of this Agreement, shall have and maintain general liability insurance of not less than \$1,000,000 combined single limits; property damage liability insurance of not less than \$500,000 per occurrence covering all motor vehicles used in the performance of said contract; and shall maintain in full force and effect

Worker's Compensation insurance during the term of this contract.

25. Any and all liabilities that arise from the collection of recyclables by the County on behalf of the Municipality will be determined and assessed based upon the facts that may give rise to a particular claim for damage and the respective entities' liability will be determined accordingly.

26. The County shall be responsible for all necessary permits or licenses required by any governmental agency exercising control over the collection, transportation and disposal of Recyclable Materials.

27. In the event the County fails to collect all Recyclable Materials on any regularly scheduled pick-up date for any reason other than inclement weather, or a holiday, the County shall collect the balance of the Recyclable Materials within three (3) business days. If the County fails to collect the balance of the Recyclable Materials within the above time frame, the County shall give the Municipality a credit equal to 1/26 of the total annual Municipal fee as calculated in Paragraph 24 above.

28. The County recognizes the unique nature of high-density housing. Should the Municipality have high density housing, the County agrees to reasonably cooperate with the Municipality, the Municipal Recycling Coordinator and Homeowner's Associations and/or Superintendents within the Municipality to efficiently and properly adjust curbside pick-up to group pick-up in appropriate circumstances. The Municipality agrees to cooperatively work with Somerset County in trying to resolve the problems associated with group pick-up. This includes jointly pursuing alternative dumpsters in existing and proposed high-density housing complexes. In addition, the Municipality agrees to exercise its power as authorized in the Municipal Land Use Law to include provisions during the review of subdivision and site plan applications, to require recycling dumpster areas in

conformance with County recommendation.

29. The County agrees to open the Recycling Center at least one Saturday per month to accept recycling drop offs by individuals or municipalities on those days.

30. The Municipality shall be required to supply the County and permit the County to collect all recyclable materials that are generated by residential users within the Municipality's borders.

31. This agreement is the entire agreement between the County and the Municipality and supersedes all previous agreements and discussions. Any amendments hereto must be in writing and must be duly executed by the County and the Municipality to become effective.

32. The County may assign or transfer its rights and interest in this agreement to any authority or agency established by the County for the purpose of accomplishing the County's Solid Waste obligations.

33. This Agreement will be entirely performed within the State of New Jersey and it shall be construed in accordance with the laws thereof.

34. If any provision of this Agreement is determined by a court of competent jurisdiction to be illegal, void, ultravires, or unconstitutional, the remainder of this Agreement shall continue in full force and effect.

IN WITNESS HERETO the parties hereto have set their hands of the proper public official as of the date and year first above written.

**BOROUGH OF WATCHUNG
RESOLUTION: R5
FORM 1B**

WHEREAS, the Governor's Council on Alcoholism and Drug Abuse established the Municipal Alliances for the Prevention of Alcoholism and Drug Abuse in 1989 to educate and engage residents, local government and law enforcement officials, schools, nonprofit organizations, the faith community, parents, youth and other allies in efforts to prevent alcoholism and drug abuse in communities throughout New Jersey.

WHEREAS, The Borough Council of the Borough of Watchung, County of Somerset, State of New Jersey recognizes that the abuse of alcohol and drugs is a serious problem in our society amongst persons of all ages; and therefore, has an established Municipal Alliance Committee; and,

WHEREAS, the Borough Council further recognizes that it is incumbent upon not only public officials but upon the entire community to take action to prevent such abuses in our community; and,

WHEREAS, the Borough Council has applied for funding to the Governor's Council on Alcoholism and Drug Abuse through the County of Somerset;

NOW, THEREFORE, BE IT RESOLVED by the Borough of Watchung, County of Somerset, State of New Jersey hereby recognizes the following:

1. The Borough Council does hereby authorize submission of a strategic plan for the Watchung Hills Regional Municipal Alliance grant for fiscal year 7/2024 – 6/2025 in the amount of:

GCADA	\$ 8,066.10
Cash Match	\$ 2,016.52
In-Kind	\$ 6,049.58
2. The Borough Council acknowledges the terms and conditions for administering the Municipal Alliance grant, including the administrative compliance and audit requirements.
3. The Borough Council accepts subsequent award of this grant.

APPROVED: _____

WHEREAS, emissions from gasoline and diesel-powered vehicles contribute significantly to air pollution, including greenhouse gases, ozone formation, fine particulates; and

WHEREAS, numerous scientific studies have found links between exposure to fine particles and health effects including premature death, and increased incidents of asthma, allergies, and other breathing disorders; and

WHEREAS, the United States Environmental Protection Agency has classified diesel exhaust as likely to be carcinogenic to humans; and

WHEREAS, vehicle idling occurs in locations (e.g. school grounds, parking lots, distribution centers, strip malls, construction sites, business centers, etc.) where residents can be exposed to concentrated sources of air pollutant emissions; and

WHEREAS, the reduction of fine particle emissions from diesel engines could prevent 16,000 new asthma cases annually and save \$770 million in health care and related costs in New Jersey; and

WHEREAS, idling more than ten seconds uses more fuel and emits more pollutants than turning an engine off and on again and wears engine parts; and

WHEREAS, current New Jersey state law prohibits the idling of vehicles for more than three minutes and studies have shown that an anti-idling policy will save fuel, prolong engine life, and improve air quality.

NOW THEREFORE BE IT RESOLVED, that the Mayor and Council of the Borough of Watchung supports the adoption of a strong anti-idling policy by government agencies, schools, businesses, and other organizations by:

1. Make enforcing New Jersey's existing no idling law a priority pursuant to C. 39:3-70.2 and C. 26:2C-1.
2. Encouraging any gasoline or diesel-powered motor vehicle to turn off their engines immediately at schools and off-site school related events to minimize exposure of children to vehicle emissions.
3. Maintaining municipal vehicles to eliminate any visible exhaust and complying with the annual inspection requirement for these vehicles.
4. Promote the widespread use of emission controls in construction contracts.
5. Supporting broad education of the public about the health, environmental and economic impacts of idling and ways to reduce idling.

**BOROUGH OF WATCHUNG
RESOLUTION: R9**

WHEREAS, the Mayor and Council of the Borough of Watchung strives to save tax dollars, assure clean air and water, improve working and living environments to build a community that is sustainable economically, environmentally and socially; and

WHEREAS, the Mayor and Council wishes to implement green community initiatives that are easy to replicate and affordable to implement which will benefit our residents now and in the future; and

WHEREAS, the Mayor and Council of the Borough of Watchung seeks to improve energy efficiency, reduce health hazards, increase the purchase of recycled paper and recyclable products through the purchase of environmentally preferred products where possible and in accordance with Local Public Contracts Law.

NOW THEREFORE BE IT RESOLVED, that the Mayor and Council of the Borough of Watchung establishes the following general guidelines when purchasing:

- 1) Aim to use products that have the least negative impact on the environment as possible, both when they are manufactured and when they are used. The entire process from production to consumption to final destruction or disposal must be taken into consideration.
- 2) Aim to use products that are not harmful or toxic to consumers, users, to the environment, or to working environments.
- 3) Aim to use products that are biologically degradable or that can be reused.
- 4) Aim to use products that do not unnecessarily consume energy and natural resources either when they are manufactured, packaged, shipped, or when they are used.
- 5) The Purchasing Agent shall use established best practices to ensure vendor compliance with sustainability guidelines through the contracting process and certification programs.
- 6) The Purchasing Agent is authorized to exempt product categories from this policy in cases when all products contain recycled content, or when health and safety may be jeopardized, or when multiple complex components or the nature of the product make certification of recycled content impracticable.

Christine Ead, Council President

Ronald Jubin, Ph. D., Mayor

BOROUGH OF WATCHUNG
RESOLUTION: R10

***A RESOLUTION EDORSING THE ADOPTION OF GREEN BUILDING PRACTICES
FOR CIVIC, COMMERICAL AND RESIDENTIAL BUILDINGS***

WHEREAS, buildings account for 39% of CO2 emissions – more than either the transportation or industrial sectors. In addition, buildings account for nearly 12% of potable water use, 65% of waste output, and 71% of electricity consumption in the U.S. (U.S. Green Building Council).

WHEREAS, green building – also referred to as sustainable or high-performance building is a collection of better design, construction, and operating practices that have the potential to reduce or eliminate the negative impacts of development on the environment and on human health. There are many examples of green building programs and guidelines that have been propagated at national, state, and municipal levels. They commonly address energy efficiency and carbon emissions reduction, water conservation, waste reduction, healthy and sustainably produced materials, indoor air quality, occupant productivity and health, and other components of green building and sustainable development.

WHEREAS, the purpose of this resolution is to enhance the public welfare and assure that commercial, residential and civic development is consistent with the (identify name of municipality) desire to create a more sustainable community by incorporating green building measures into the design, construction, operation and maintenance of buildings.

WHEREAS, the Borough of Watchung desires to set a leadership example in the area of green building through the implementation of energy efficiency audits and upgrades to the

**BOROUGH OF WATCHUNG
RESOLUTION: R10**

municipal building stock, continued procurement practices...etc. (e.g. improve water conservation, reduce light pollution, increase construction waste recycling).

NOW, THEREFORE, BE IT RESOLVED that the Mayor and Council of the Borough of Watchung, County of Somerset, State of New Jersey hereby implements a Green Building Policy that will consider opportunities to incorporate green building measures into the design, construction, operation and maintenance of municipal buildings and facilities.

**BOROUGH OF WATCHUNG
RESOLUTION: R12**

A RESOLUTION OF THE BOROUGH OF WATCHUNG DESIGNATING THE PROPERTY IDENTIFIED AS BLOCK 7010, LOTS 5.01, 5.02 AND 5.03, 18 DRIFT ROAD, AS SHOWN ON THE BOROUGH OF WATCHUNG TAX MAP AS A "NON-CONDEMNATION AREA IN NEED OF REDEVELOPMENT" UNDER THE NEW JERSEY LOCAL REDEVELOPMENT AND HOUSING LAW (N.J.S.A. 40A:12A-1 ET SEQ.)

WHEREAS, the New Jersey Local Redevelopment and Housing Law, N.J.S.A. 40A:12A-1 et seq. (the "LRHL") authorizes municipalities to determine whether certain parcels of land within the municipality constitute a "non-condemnation area in need of redevelopment" as described in Section 5 of the Redevelopment Law; and

WHEREAS, to determine whether a certain parcel of land constitutes an area in need of redevelopment, the Borough Council of the Borough of Watchung (the "Borough Council") by way of Resolution #R17, adopted on June 15, 2023, authorized and directed the Watchung Borough Planning Board (the "Board") to conduct a preliminary investigation to determine whether the properties identified as Block 7010, Lots 5.01, 5.02 and 5.03 as shown on the Tax Map of the Borough of Watchung, located at 18 Drift Road (the "Study Area"), meets the criteria set forth in Section 5 of the LRHL and should be designated as a "non-condemnation area in need of redevelopment;" and

WHEREAS, the Board authorized the undertaking of the preliminary investigation as to whether the Study Area, or any portion thereof, constitutes an area in need of redevelopment in accordance with the LRHL; and

WHEREAS, the LRHL requires the Board to conduct a public hearing prior to making its determination whether the Study Area should be designated as "an area in need of redevelopment," at which hearing the Board shall hear all persons who are interested in or would be affected by a determination that the Study Area is a redevelopment area; and

WHEREAS, the LRHL requires that the Board, prior to conducting such public hearing, publish notice in a newspaper of general circulation in the Borough once each week for two consecutive weeks, with the last publication made not less than ten (10) days prior to such public hearing; and

WHEREAS, the LRHL further requires that such notice be mailed at least ten (10) days prior to such public hearing to the last owner(s) of the relevant properties in accordance with the Borough's assessment records; and

WHEREAS, the Board held a public hearing (the "Public Hearing") to determine whether the Study Area is a "non-condemnation area in need of redevelopment" under the criteria set forth in Section 5 of the LRHL at a regular meeting of the Board on November 14, 2023; and

**BOROUGH OF WATCHUNG
RESOLUTION: R12**

WHEREAS, notice of the Public Hearing was provided in the official newspaper of the Borough on two consecutive weeks, the last being not less than ten (10) days before the Public Hearing; and

WHEREAS, the Board also provided notice to property owners in the Study Area; and

WHEREAS, at the Public Hearing, Mark Healey, P.P., A.I.C.P., presented a report dated September 24, 2023 entitled "Area in Need of Redevelopment Study, 18 Drift Road, Block 7010 Lots 5.01, 5.02 and 5.03, Borough of Watchung, Somerset County, New Jersey" (the "Study"); and

WHEREAS, at the Public Hearing, the Board reviewed the Report and considered the testimony of Mr. Healey; and

WHEREAS, the Board also gave members of the public an opportunity to speak and ask questions related to this matter; and

WHEREAS, after the conclusion of the Public Hearing, and in consideration of the Report and the substantial and credible testimony presented, the Board, on November 14, 2023, determined that the Study Area met one or more criteria to designate the Study Area as an "area in need of redevelopment," which was memorialized by way of Resolution No. PB23-R12; which Resolution, along with a copy of the Study, are attached hereto as Exhibit "A" and

WHEREAS, the Borough Council agrees with the recommendation of the Board that the Study Area be designated as a "non-condemnation area in need of redevelopment" pursuant to the LRHL; and

WHEREAS, the Borough Council now desires to authorize and direct the negotiation and preparation of a redevelopment plan for the Study Area and to present same to the Mayor and Borough Council for its consideration.

NOW, THEREFORE, BE IT RESOLVED by the Borough Council of the Borough of Watchung, County of Somerset, State of New Jersey, as follows:

1. The Borough Council hereby designates Block 7010, Lots 5.01, 5.02 and 5.03 as shown on the Tax Map of the Borough of Watchung as a "non-condemnation area in need of redevelopment" (the "Determination") pursuant to the LRHL.
2. The Determination shall authorize the Borough of Watchung to use all of the powers provided by the Legislature for use in a redevelopment area excluding the use of eminent domain, thus designating it a "Non-Condemnation Redevelopment Area."
3. The Borough Clerk is hereby directed to transmit a certified copy of this Resolution by regular and certified mail to the Commissioner of Community Affairs (the "Commissioner") for review. The Determination of the Study Area as a "non-condemnation area in need of development" shall not take effect without first receiving

**BOROUGH OF WATCHUNG
RESOLUTION: R12**

the review and approval of the Commissioner. If the Commissioner does not issue an approval or disapproval within thirty (30) calendar days of transmittal, the Determination shall be deemed to be approved.

4. Notice of the Determination (the "Notice") shall be served, within ten (10) days of the Determination, upon all record owners of property located within the Study Area, those whose names are listed on the tax assessor's records, and upon each person who filed a written objection thereto and stated, in or upon the written submission, an address to which the notice of Determination may be sent.
5. A property owner who received notice of the Determination as set forth above who does not file a legal challenge to the Determination affecting his or her property within 45 days of receipt of such notice shall thereafter be barred from filing such a challenge.

DRAFT

**BOROUGH OF WATCHUNG
RESOLUTION: R13**

WHEREAS, in accordance with the "New Jersey Local Unit Pay to Play" law, Public Law 2004, Chapter 19 (N.J.S.A. 19:44A-20.4 et seq), the Borough of Watchung solicited proposals for the professional services of an Engineer for the year 2024 and were opened on December 5, 2023; and

WHEREAS, the Borough Council previously awarded a contract on January 4, 2024 to Remington & Vernick Engineers, 429 Route 79, Suite 21, Morganville, NJ 07751 to perform the duties of Professional Engineer for the Borough including special assignments that may arise during the course of performing these duties; and

WHEREAS, Remington & Vernick Engineers as part of its services to the Borough will provide stormwater mapping compliance including updates to the base map foundation for the new stormwater system mapping to reflect current development, street name changes and other pertinent information, incorporating and digitizing, where needed, any/all existing available Stormwater Utilities data and documents for the FY 2024 Stormwater Outfall Mapping Verification for NJDEP MS4 Compliance; and

WHEREAS, the need exists for Remington & Vernick Engineers to provide said services

WHEREAS, the Chief Financial Officer of the Borough of Watchung has certified that funds are available from the following Accounts: \$15,000 from G-03-550-281
\$40,100 from 3-01-610-201

William J. Hance, CFO

NOW, THEREFORE, BE IT RESOLVED, by the Governing Body of the Borough of Watchung that Remington & Vernick Engineers is hereby authorized to provide engineering, design, bidding specifications/ support, contract administration and construction observation services as listed on the attached proposal, dated December 5, 2023, in an amount not to exceed \$55,100.00 for stormwater mapping services

BE IT FURTHER RESOLVED, that the Borough Clerk is hereby authorized to advertise the contract amendment within ten days from the date hereof in accordance with the Local Public Contracts Law (N.J.S.A. 40A:11-1, et seq.) concerning the award of contracts for professional services.

Subj: Proposal to Provide Survey Services to Create and Update GIS As-Built Stormwater System Mapping including Stormwater Outfall Mapping Verification for NJDEP MS4 Compliance for the Borough of Watchung M2023

Dear Mr. Damato:

REMINGTON & VERNICK ENGINEERS is pleased to submit this proposal to provide stormwater mapping services for the Borough of Watchung in accordance with State guidelines.

BACKGROUND

As part of a nationwide update mandated by the Environmental Protection Agency, the New Jersey Department of Environmental Protection (NJDEP) has developed stormwater regulations to address groundwater pollution issues (MS4).

Under these regulations, municipalities must provide maps of all municipally owned or operated outfalls with discharge directly to surface water bodies. The outfalls must be inspected for evidence of bank erosion and illicit connections. Repairs must be prioritized by factors including water classification (i.e., NJDEP published Total Maximum Daily Load (TMDL) limits).

It is also recommended that municipalities have, at a minimum, their current utility systems on a GIS system in order to track maintenance. Outfall mapping and data must be posted using the NJDEP "Electronic Submittal Service", which was originally due no later than **December 21, 2020**.

Stormwater drainage in Watchung Borough is provided through a network of inlet, outfall, and stream locations. For MS4 outfall pipe mapping, it is necessary to show all MS4 outfalls that ultimately empty into a lake, ocean, river, or stream within the jurisdiction of Watchung Borough. The location and name of the surface water bodies receiving the stormwater discharge must be noted on the map. Each outfall pipe must also be given an identifier, which must be included on the map.

Also, the NJDEP is offering \$25,000 grants to Tier A MS4 communities such as the Borough of Watchung. Available is a one-page grant application form for a new grant opportunity for offsetting costs of stormwater mapping (**a condition of the grant is the stormwater digital mapping must be completed by January 1, 2026**) – \$15,000 will be awarded when the grant is approved by NJDEP, and the remaining \$10,000 will be disbursed after stormwater mapping is completed by the Borough.

SCOPE OF SERVICES

Remington & Vernick Engineers will perform the entire scope of services outlined herein to assist the Borough of Watchung with stormwater mapping compliance.

Remington & Vernick Engineers will utilize any existing information to update the base map foundation for the new Stormwater System Mapping to reflect current development, street name changes and other pertinent information.

Our office will incorporate and digitize, where needed, any/all existing available Stormwater Utilities data and documents, displaying inlets, catch basins, storm manholes and miscellaneous structures including, but not limited to, pipe and outfall locations received from the Borough. We will also reference and utilize any/all of the Borough of Watchung Stormwater Outfall mapping and surveyed information on file with our office, if applicable.

These existing hard copy maps do not meet current NJDEP requirements. Using the digitized map, we will perform any field work, if needed and directed, in an effort to verify the location of all of the outfalls within the limits of the Borough, as needed.

There are a total of approximately 125 outfalls owned and maintained within the Borough. Upon preliminary evaluation of the mapped list of locations provided it appears that the coordinates listed for the outfalls located and displayed are not accurately documented as to the method of field verification and data collection and will need to be verified and relocated on the updated stormwater utility maps. RVE will label the Outfalls (1-125) with the coordinates, sizes, material, and inverts after the GPS data collection phase is complete.

The remaining stormwater features to be displayed on the updated map will include pipe sizes, flow directions (where available), wetlands, horseshoe drains, headwalls, inlets, manholes, easements, and laterals, if applicable.

There are approximately (964)+/- inlets/catch basins, of which (71) need to be field located, (125)+/- outfall structures, of which (3) need to be field located, (482)+/- drainage structures, including manholes, culverts, headwalls, etc., (12)+/- retention/detention basin structures and approximately (481)+/- segments of stormwater pipes within the Watchung Borough service area that will need to be mapped as part of this project.

The following Stormwater system facilities will be mapped based on any existing hardcopy and digital as-built drawings collected:

- Location, number of storm outfall structures (approximately 125 structures, of which (3) need to be field located)
- Location, number of remaining storm structures upstream from outfall structure (approximately 565 structures needed)
- Location, size, material of pipe segments between storm structures and outfall structures (if available)

We will populate the attribute table information from this file, which will meet the requirements for NJDEP electronic submission.

We will apply our surveying and cadastral mapping experience to manipulate and process the point features contained on the maps to ensure an accurate location of these stormwater assets. We will geo-reference these digital point features to the current New Jersey Department of Environmental Protection (NJDEP) GIS Resource Data and color aerial imagery to establish further associations and increase positional accuracy.

All information will be layered for ease of inventory and maintenance. All work will be performed in accordance with the current NJDEP GIS Mapping and Digital Data Standards and the NJDEP GPS Data Collection Standards for GIS Data Development, including FGDC compliant metadata.

The updated Stormwater Utility Mapping will be drafted in color with ink on bond paper utilizing the latest Autodesk AutoCAD and Esri ArcGIS software applications. Corresponding color-coded legend for each asset will also be provided.

Review and Comment

Once the changes to the Stormwater System Mapping have been completed, a preliminary copy will be provided to Watchung Borough for review. Any changes or revisions necessary must be marked on the map at this time. The final draft of the new map will be based upon this review process and will be considered complete and ready for delivery once the requested changes have been made.

We understand that the Borough wishes to only map digitally with attributes the outfalls and remaining stormwater structures for the Borough as all inclusive. We will need to field verify any missing/obscured stormwater outfall assets, if and where directed, utilizing a mapping grade GPS data collector. Our office will only survey the stormwater infrastructure information that cannot be verified and confirmed on any hard copy/digital maps on a location-by-location basis, utilizing GPS technology, as needed, and directed to do so by Watchung Borough. We will also obtain and incorporate the latest Somerset County outfall and stormwater information available for reference on this project.

As required by MS4 regulations: This map must show the location of the end of all MS4 outfall pipes (tidal and non-tidal) owned or operated by Watchung Borough which discharge to a surface water body. The map shall also be current at the end of each year, show the location (and name, where known to the municipality) of all surface water bodies receiving discharges from those outfall pipes, and be included in the Stormwater Pollution Prevention Plan (Part IV.B.6.a).

Our final deliverable will consist of an overall map with the located 125-Borough and also the obtained Somerset County outfalls identified as well as the remaining stormwater assets, if directed by Watchung Borough, in a color-coded legend. This deliverable is in addition to providing the digital file in a GIS format of the outfalls to NJDEP as requested to satisfy their MS4 requirements.

Specific Assumptions/Exclusions:

1. Based on our experience with Somerset County and the State of New Jersey, these map layers will be incorporated provided the map data is made available and in its digital native file format from Local, County, State and/or Federal resources. If information is not available digitally, a separate cost to convert can be discussed and submitted, if requested.

2. The cost of services for any/all mapping work not outlined in this scope of services will be provided as a separate proposal on an as-needed basis and upon Watchung Borough's request only.
3. These costs do not include the new NJDEP \$25,000 grant opportunity to Tier A MS4 communities, which is a one-page grant application form for offsetting costs of stormwater mapping (stormwater digital mapping must be completed by January 1, 2026) – \$15,000 will be awarded when the grant is approved by NJDEP, and the remaining \$10,000 will be disbursed after stormwater mapping is completed by the Borough.

NJDEP COMPLIANT GPS DATA COLLECTION & GIS MAPPING

All survey field collection services and GIS utility mapping work needs to be completed under the auspices of our NJ Professional Licensed Land Surveyor and in accordance with the current State regulations and standards for the "Locations of Existing Utilities" statutes, NJSA 45:8-28(e); NJAC 13:40-1.3; NJAC 13:40-5.1(g)4, as well as the NJ Digital Mapping Computer Aided Drafting (CAD) Standards and comply with any of the Borough applicable standards and requirements.

Phase 1 of the work is RVE personnel to field locate, data collect and document each stormwater asset utilizing our survey grade GPS equipment. RVE would be responsible for post-processing of all GPS data into a form suitable for including in the Watchung Borough GIS Mapping (see Phase 2 below).

Phase 2 of the work is to take the processed data from Phase 1 and produce GIS Mapping of the Stormwater system. The mapping would include:

- Location/elevation, number of storm outfall structures
- Location/elevation (grates, rims, inverts), number of remaining storm structures upstream from outfall structure
- Location, size, material of pipe segments between storm structures and outfall structures (if available)

COST OF SERVICES

The cost breakdown for the completion of the Surveying Support Services and GIS Mapping Services, as outlined above, is **\$55,100.00**, which will be billed on a time & materials basis and detailed as follows:

1. GPS DATA COLLECTION SERVICES (All stormwater assets including outfalls)

The estimated completion cost for Land Surveying and GPS Data Collection: **\$34,250.00**

(This Phase includes Land Surveying GPS Data Collection Services - Survey the missing/incomplete infrastructure information for the GIS mapping project on a location-by-location basis, utilizing GPS technology, which will ultimately enable electronic submittal to the NJDEP. Cost estimate and estimated completion time to be determined from written authorization to proceed and contingent on schedules, weather conditions, traffic control measures needed, etc., to be in full compliance with the State requirements)

2. GIS STORMWATER INFRASTRUCTURE SYSTEM MAPPING (All stormwater assets including outfalls)

The estimated completion cost for Phase Two services as outlined herein: **\$20,850.00**

(This Phase includes Inventory and Digitizing the Existing Resource Data (Stormwater features) - Scan and vectorize the existing manually generated as built infrastructure mapping using Autodesk AutoCAD software applications)

(This Phase also includes Mapping the GIS Utility Infrastructure Location Data – Utility As-Built Updates and Mapping Layers in an effort to locate any/all known surface utility infrastructure features and the storm sewer structures/outfalls as needed.

(This Phase also includes Numbering Convention - AutoCAD drawing files to be exported and converted into the Esri ArcGIS shapefile format suitable for GIS use.

Note: Additional field survey work may be required and/or requested by the Borough beyond the scope of services presented herein. Any additional survey crew field work will be performed solely at the direction of the Borough for an additional per diem fee of \$2,160.00, including coordination at start-up, necessary research, office support, set-up, downloads, and computations for this project.

If additional work is needed after the not to exceed, **\$55,100.00** cap has been reached, Remington & Vernick Engineers will provide notice in writing to the Borough Administrator of the additional costs needed to complete said work. Remington & Vernick Engineers will not proceed with any additional work that will exceed the not to exceed **\$55,100.00** cap without prior written authorization from the Borough Governing Body. All work will be completed on a time & material basis hourly basis at our current Watchung Borough contract rates.

Any portion of the allocated not to exceed, **\$55,100.00** budget that is not used for requested work during the requirements of this project may be applied to future maintenance work, or as otherwise directed by the Borough.

PROJECT SCHEDULE

Our estimated completion time is a minimum of three (3) to five (5) months from written authorization to proceed and contingent on schedules, weather conditions, traffic control measures needed, etc.

Remington & Vernick Engineers is aware that Watchung Borough may want to expedite this project.

All work will be invoiced at the current Watchung Borough contract rates.

A dedicated project number will be established for billing purposes.

If you have any questions or concerns regarding this project, or if there are budget and timeframe issues based on the scope of work proposed, please contact Mr. Kevin R. Zelinsky, GISP, CMS of our Cherry Hill office at (856) 795-9595, extension 1064, or via e-mail at: Kevin.Zelinsky@rve.com.

We look forward to working with the Borough on this important project.

Sincerely,

REMINGTON & VERNICK ENGINEERS

DRAFT

**BOROUGH OF WATCHUNG
RESOLUTION: R14**

WHEREAS, the Borough of Watchung greatly appreciates the many volunteers who donate their time for the good and well-being of all residents; and

WHEREAS, the Governing Body is aware that volunteerism is becoming rarer as people try to juggle many activities in their busy lives; and

WHEREAS, this is especially true when the position one is volunteering their time for is a dangerous one, where in a moments' notice their life can be put on the line for the safety of others.

NOW, THEREFORE, BE IT HEREBY RESOLVED by the Mayor and Council of the Borough of Watchung, County of Somerset, State of New Jersey, that the appointments of **Nector Y. Rosa-Cruz, Nicholas Petersen, and David Petersen**, as Members of the Watchung Fire Department are hereby proudly approved.

BE IT FURTHER RESOLVED, that the Governing Body of Watchung hereby commends this and all volunteers for serving our community in this capacity.

Curt S. Dahl, Council Member

Ronald Jubin, Ph.D., Mayor

ADOPTED: JANUARY 18, 2024
